

JFS Care at Home

Your Partners in Care

An affiliate of Jewish Family Services, JFS Care at Home has a long tradition of serving the home care needs of older adults in the Greater Hartford region. We welcome all individuals and their families.

At JFS Care at Home, we cultivate a culture of respect and dignity for all persons. Our staff has been trained in subjects specific to caring for people who identify as LGBT. Please feel free to self-identify with respect to gender identity, sexual orientation and families of choice.

"It's a privilege to care for our clients. I especially love hearing their life stories."

Better at Home

A tradition of care and compassion.

JFS Care at Home strengthens the quality of life of our clients and their families. Our home care program supports older adults to live with dignity as independently as possible. We listen to the unique needs and life experiences of the people we care for. Our goal is always **to help your family as if it were our own.**

Now you have a partner in care

Whether it's a few hours of help a week or full time live-in care you need, JFS Care at Home is always there when you need us. We offer:

- 24/7 access to our agency
- Experienced, bonded and insured caregivers
- Individualized home care service plan
- Our commitment to the highest standards of integrity and reliability

“We can't thank you enough for all of the support and care that you have provided under difficult and sometimes stressful conditions.”

~ client testimonial

Care Options include:

- Homemakers
- Personal Care Assistants
- Companions
- Live-in Caregivers

Experience you can rely on

All our caregivers are caring and compassionate individuals, committed to enhancing the lives of their clients. They are experienced working with older adults with a wide range of care needs, **including dementia care**, and participate in ongoing mandatory trainings to update and strengthen their skills.

Giving it forward

Our earnings are shared with Jewish Family Services of Greater Hartford that provides counseling, education and community support to all in need.

“Your caregivers have a high level of training and professionalism and the administrative staff are gerontology specialists. Their level of expertise in the field has a very positive impact on the caregiver level and quality of support.”
